

# COVID-19 Protocols

On June 30, Council of the Haida Nation announced that visitors are welcome to Haida Gwaii as of July 1, 2021, and are invited to sign the [Haida Gwaii Pledge](#) committing to being a respectful visitor.

After careful consideration and consultation, the Haida Nation will welcome visitors from BC and Canada to Haida Territories. View the press release [here](#).

**It is still crucial to follow all public health orders and COVID-19 safety practices.**

When planning your trip, please remember:

- Check back on this website for the latest updates on local safety measures.
- Carry your own supply of masks, reusable or single use.
- Wash hands frequently and sanitize before and after entering public spaces.
- If you are not feeling well, please stay home until it is safe for you to travel and consider getting a negative COVID-19 test before traveling.
- We request visitors to be fully vaccinated before arriving on Haida Gwaii.
